E. Add a Joint Owner

IMPORTANT INFORMATION ABOUT PROCEDURES FOR ADDING A JOINT OWNER

To help the government fight the funding of terrorism and money laundering activities, federal law requires all financial institutions to obtain, verify, and record information that identifies each person who opens an account.

To add a joint owner, you must provide the joint owner's name, street address, date of birth, and a U.S. Social Security number. We may ask for other information that will allow us to identify the joint owner, and we may ask to see a copy of identifying documents.

We can NOT add a joint owner without information marked as "REQUIRED." If we are unable to verify the joint owner's identity, the joint owner will not be added to the account. Should we deem it warranted, we may report a failure to verify the identity to Federal authorities in accordance with applicable law.

Unless otherwise noted, the following person will be added as a Joint Tenant with Rights of Survivorship (JTWROS):

Joint Owner's Name - Required

U.S. Social Security Number - Required Date of Birth - Required
