## **Cost Basis Information**

The Internal Revenue Service allows several methods to calculate capital gains and losses. With any method, you will need a record of all the activity in your account and the tax treatment of all distributions and sales. You may request copies of your account history or tax forms by calling (800) 445-9469. The tax treatment history of Longleaf distributions is also available on our website <a href="https://southeasternasset.com/">https://southeasternasset.com/</a>. Please allow ten business days to process your request.

Arriving at the proper cost basis of your shares can be complex. We strongly recommend that you speak with a professional tax advisor if you have any questions regarding your cost basis. Longleaf representatives are not able to offer tax advice. For questions about your account, call (800) 445-9469.

# Foreign Taxes Paid

As a shareholder of the Longleaf International Fund who received dividends, you have a choice to either use the foreign taxes paid as a foreign tax credit or an itemized deduction. Your portion of foreign taxes paid by the Fund is reported in Box 7 of Form 1099-DIV. To take an itemized deduction, include the amount from Box 7 on Schedule A, Line 6 on your Form 1040.

To compute the allowable credit, individual shareholders may be required to complete IRS Form 1116 and attach it to their Forms 1040. Corporate shareholders should complete Form 1118. The following worksheet can be used to prepare either of these forms. Although it will generally be more advantageous to claim a credit for the foreign taxes paid, the ability to claim a credit depends on your individual tax situation. We suggest that you consult your tax advisor to determine your best course of action.
